Most Respected Sir,

With profound respect, I beg to submit for the favourable consideration of Government that the loan of Rs.I2000/- kindly sanctioned to me on the mortgage of my inam villages of Hasavaloo and Gangada-Hosahally was unfortunately insufficient for the final settlement of accounts of my creditors Messers H. Nanjunda--raj Urs and H. Lingaraj Urs to whom I had to pay towards interes a sum of Rs.5000/- in addition to the sanctioned loan.

I thought it inexpedient to trouble Government for any fur--ther loan, but I was however, compelled by force of circumstance to make other arrangements to get this sum by sale of my house and by a hand loan of one thousand rupees to settle the accounts of my creditors.

The loan of Rs.I2000/- was obtained in December last and the villages were left to the management of Government, having finally settled the debts of my creditors.

I submitted an application to the Deputy Commissioner Mysore District, representing my grievances as above, and requested him to move the Government to order payment to me of the balance out of the revenues of the inam villages after deducting the interest on Rs.I2000/- for six months from December to June I905 as the year " Krodhi " was nearly closing and the collection had com--menced when the sanctioned loan was paid to me.

But in No.2I77 dated I6th February I905, the Deputy Com--missioner informed me that the Government is not pleased to grant my prayer as ordered in No.5248-9/439 of 99 dated I0th February I905.

I therefore venture to submit this petition for reconsidera--tion of Government on the following points.

That

That the year " Krodhi " was nearly closing when I obtained the loan of Rs.I2000/- and it will be only 6 months in June ~~next~~ since the loan was paid to me.

That I agree to pay a proportionate interest for the half year.

That my straitened circumstances do not permit me to meet such demands from other resources.

That it will be clearly seen that I do not approach you with this petition for any further loan but only with a prayer to grant me for one year only a portion of the revenues after due deductions.

That this proposal is not inconsistent with the terms of the mortgage deed.

That Rs.840/- is taken as the standard average net revenue of the inam villages of which Rs.600/- goes towards interest and Rs.200/- towards principal for the first full year (Vide Govern--ment proceedings No.Fl I287-90/R.F.9of I899-00 dated I7th Nov--ember I903).

That the net revenue of the year " Krodhi " including old arrears is Rs.I229/- which is over and above the gross amount due to Government for the first year after Government management.

Under these circumstances, I pray you will be graciously pleased to consider my hard case favourably and place the papers with your valuable support and recommendation before H. E. the Dewansaheb for reconsideration of the order, and order payment to me the balance of revenue of the inam villages, upto the end of 30th June I905 (Krodhi) after deducting interest for the half year from December to June I905.

With this humble prayer,

I beg to remain,

Most respected sir,

Your most obedient servant,

Arod Rama Rao
